

South Fremont High School Registration Schedule

The schedule for registration and pictures for the high school is shown below. You need to pick up your schedules, have your picture taken, and you can also pay fees. **Lockers will be assigned during registration if Student Association Dues (\$25) are paid.** FYI-This \$25 fee is ***not*** a Locker Fee. (Student Association Dues are distributed to Student Association activities, class fees, and a computer fee.)

Please Note - **All** students, **including seniors**, need to have their pictures taken at the high school during registration for identification, yearbooks, and for activity cards. Having your picture taken is free of charge and you are not obligated to purchase a picture package. Again, all students need to have pictures taken as soon as possible for identification, yearbooks, and activity cards.

If you are purchasing a picture package you need to send a separate check made payable to Bell Photography. Fee payment checks need to be made payable to South Fremont High School. A list of fees will be available at the high school during registration.
