Dear Parents and Youth:

It is time once again for our Cougar Cubs Basketball program. Please spread the word that we are moving this program to March this year. As always, we will focus on skill development and having fun! All boys and girls from Pre-K through 6th grade are invited to participate. We hope to see everyone participate!

How does it work?

Each group will meet on Saturday mornings for a 1 hour long clinic. After the clinic, they will be divided up into teams and play games for 1 hour. We want every player to improve, have fun, and make some great memories with their friends!

Note: Kindergarten through 2nd graders will have a clinic only, without games.

How much does it cost?

If paid on or before March 3rd, the cost is \$40 per player, which includes the clinics and games, the officials, and a t-shirt! If you have any problems paying, please contact the high school coaches and we will work with you on a payment plan. After March 3rd, the price goes up to \$45. Cost for Kindergarten through 2nd graders is only \$25 and includes only the clinic and a t-shirt.

Do you need parents to help?

YES!!! Although there will not be any practices during the week, we still need parents to coach during games. The coaches' will substitute players help the kids improve and have fun!
